# ABOUT US

PTC Circle is one of the leading Smart School Education Services providers in Northern India, established in Rohtak, Haryana since 2010. PTC Circle is a fast-growing and technology-driven company working in education sector. We offer full product lifecycle services from architecture, design, development and integration to implementation and quality support. Our Software services include Software Development, Web Application Development, e-Commerce Solutions, Mobile App Development, QA and Software Testing, SEO etc. We are experts in school related services like: Complete School Management ERP, Robotics and AI Lab, Coding Classes, English Language Lab, School Uniforms, Smart Classes, 3D Lab, Hardware Solutions, Biometric Solutions etc. With-in depth understanding of the Indian education Sector and knowledge of the requirements, we emerge as leaders through quality and product innovation. This industry leading comprehensive approach gives us the ability to respond quickly to customer needs and design customized innovative solutions that meet those needs efficiently and cost effectively. We take pride in building strategic long-term client relations.

Our dedicated employees are committed to support customers by delivering high quality, customer focused solutions and professional services. By choosing us as your outsourcing partner, you will reap the benefits of our expertise and efficiency.

Working with PTC Circle, we give you power to meet your organization development objectives and your day-to-day operating needs more efficiently and cost-effectively. We would be pleased to work with your organization to provide quality education to students in an organized way.

To be a world class player in Education sector to provide large & mature software solutions to the most complex requirements of the customers with highest levels of integrity, professionalism & technological capabilities. To provide every possible service to our clients with full satisfaction under one roof.

Our Mission is to deliver optimal solutions with quality and services at reasonable prices. For us customer satisfaction is always on Priority. We are very friendly in our dealings to the customers and it helps us retain existing clients and expand customer circle. We always try to improve the quality of our products by exploring innovative ideas.
